

PURPOSE

7-5 Crown-Pancreas

Purpose

Purpose brings the energy of connection through the crown chakra, down into the solar plexus as it loops around and anchors into the pancreas. The energy of purpose, which is strong and unwavering creates a direct pathway between the crown and solar plexus, like an open channel. When the space is established for divine purpose to flow down, it can be integrated at the solar plexus and more easily brought through and embodied in the human experience. This is critical pathway where divine inspiration/downloads/channeling is brought through the ethers into form.

Priority Pathway

To shift stuck energy between this priority pathway, place one hand over the crown and one hand over the pancreas. Bring your awareness to the space between these two points. Invite any intuitive information to surface in the form of a symbol, color, word or sensation. Breathe this information in.

Energetic Presentation

Connect with the energetic presentation of the Chakredy® Grid energy. This is a pattern in which the energy of purpose can flow (depicted in chart). When you intentionally call forth this energetic pattern into your experience it can be easier to embody this specific energy and return to it tangibly, with awareness and intention.

Shifts + Healing

Powerful energetic shifts and healing can take place simply with identifying this priority pathway and bringing your awareness to it. Calling in the universal healing energy that connects these two points and intentionally embodying the energetic presentation of the healing energy is huge. Notice any shifts. Return to this often. Chakredy™ vibrational remedies can help to anchor energetic shifts within the body and energy field.
